Congratulations!

Our club achieved highly regarded

President's Distinguished Club

award for year 2010 – 2011. Congratulations to all of us for making Masters Of Opportunity an awesome club.

Why are we here?

Masters Of Opportunity

is a Toastmasters International club 3634.

Our purpose is to:

- * Create long-term positive habits by attending meetings and conferences
- * Become confident and eloquent speaker by giving speeches and filling meeting roles
- * Help fellow humans being achieve their potential by creating positive and learning environment during our meetings

Joke of the Month

How do you spot Toastmasters during a cocktail party?

The Toastmasters don't have drinks in their hands. They are too busy talking with their hands.

(True fact. Check it if you don't believe it)
